

**WE ALL BENEFIT
FROM THE
OPPORTUNITY TO
NETWORK WITH
OTHERS ON
A SIMILAR PATH.**

LET'S NETWORK AND DINE WITH LIKE-MINDED PEOPLE ...

Hosted by either **FABIC Education & Learning** or **IMPULSE TO ACTION**, these networking dinners offer an opportunity to meet, chat, discuss and build connections with like-minded people who share similar interests or professions while we enjoy a delicious dinner at the same time.

Join us for a banquet-style menu, fill your plate or graze as you mingle and move from table to table and connect with many different people, exchange ideas and share inspirational moments.

FABIC
Education &
Learning

FABIC stands for all things mental wellness and *LASTING* behaviour change and is a multi-disciplinary clinic with behaviour specialists, psychologists, occupational therapy and speech pathology. Over the years, Tanya Curtis, founder and director of FABIC, has been a last resort for untold many who had all but given up.

Impulse to Action
CONSULTING

IMPULSE TO ACTION is the collaboration between Tanya Curtis and Susan Scully, two successful business and action women who have pooled resources to offer everything needed to take an idea or project, be that starting a business, writing a book or any other project you would like help actioning, all the way to completion.

These dinners coincide with the end of courses (see QR Code below) as offered at the nearby FABIC Behaviour Specialist Centre. They are open to all course participants plus those who work or are otherwise interested or involved in the fields of behaviour, mental wellness as well as the art, science and magic of taking your ideas from impulse to action.
