

HOLIDAY PROGRAM

FABIC
Education &
Learning

Come have fun and play while building life skills.

Our school holiday programs provide fun and engaging activities while providing the opportunity to build social and interactional skills, develop relationships, strengthen communication skills and learn to respond to life lessons as they present.

THE PROGRAM

WEEK 1

DAY 1: Super Hero Day

To support children to develop life skills through play and peer interactions.

Day 2: Science Fun Day

The Science Fun Day offers kids the opportunity to come together and work in a group to participate in a range of different science experiments. The day will focus on group work, interacting and supporting each other and having fun while working through some group challenges.

Day 3: Games Day

The games day is an opportunity to build social skills through games. Children will work in small groups to design and create their own carnival style games for their peers to play.

WEEK 2

3 days themed:

I am Beauty-Full Just for Being Me

The purpose of this program is to provide a fun, engaging and meaningful school holiday program for children that encourages them to recognise and celebrate their strengths and qualities, supporting self-esteem and confidence. The sessions are a mix of arts, crafts, games and group discussions.
